

Bushings Included in Pack

- 1 Front Stator
- 1 Rear Stator
- 2 Sun Gear
- 1 Converter/Pump bushing
(Planetary bushing sold separately)

The planetary bushing in this transmission is poorly supported and frequently spins in place. We have an updated planet which comes with a one piece bushing in place of the two OEM bushings. Machining of the planet is required to install the one piece planetary bushing.

Your feedback is welcome on all our products!
